ICANN At Largeとは

What is At-Large?

"At-Large" is the name for the community of **individual Internet users who participate in the policy development work of ICANN**. Currently, more than 160 groups representing the views of individual Internet users are active throughout the world. You can learn more about the community and its activities on this website, as well as how to join and participate in building the future of the worldwide Domain Name System (DNS) and other unique identifiers which every single user of the Internet relies on every time they go online.

ISOC-JPでの進め方

- ML作る: als@isoc.jp
- ゆるく始めて、長く続けよう
- 初心者的な情報を発信したい
- ISOCでは、Internet PolicyのMLあります。もちろん、英語です。今、こんな話をしてるみたいだけど、合ってる？みたいな話もできれば。
- でも、将来的には専門分化された議論もできる活動に育てよう
