Internet Governance Conference Japan (IGCJ)
– a new platform advancing IG in Japan

April 27, 2016

http://igcj.jp/

in Japanese but with some English assistance

Why IGCJ?

- Internet Issues are getting more…
  - complicated, globalized, serious impact, stakeholders involved, politicized, …
- Low interest/concern for Internet Governance in Japan

- There hasn't been any suitable activity in Japan to address this situation

What does/is IGCJ?

- Aims to be a place
     for various stakeholders
     to discuss various Internet issues

- Keeps activity continuous
  - Physical meetings with remote participation every other months
  - Mailing list, facebook page

- Tries to liaise with other existing/theme-specific activities

Numbers (as of April. 25)

- Launched on : June 18, 2014 (~2 years old)
- Subscription to Mailing List : 275
- Messages to Mailing List : 180
- Participants in a meeting : 30 – 60 (staff excluded)
  - Mainly from ISPs but some from biz, gov, academia, and users
- Meetings held :
  12 regular and 1 ad hoc
  - http://igcj.jp/meetings/
- Coordination Group members : 4

Supporter Solicitation Model?

- "Position of IGCJ" is hard to form so far
- An alternative way to make voice to others
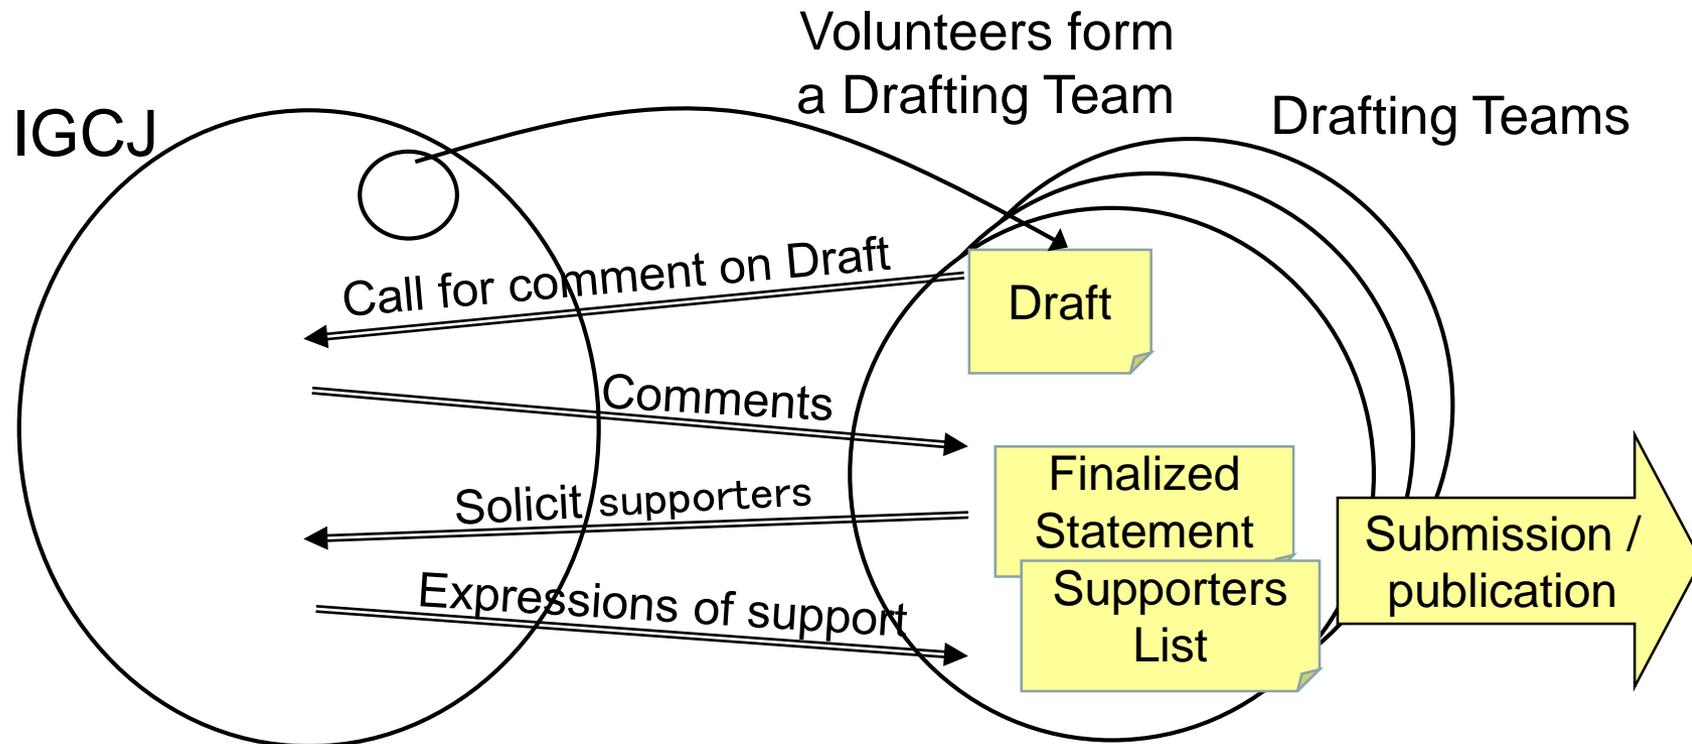

SSM, two cases

- Security Principle Document
  - philosophical principles on the Internet to avoid wrong way
  - Launched in July 2015
  - Discussion@IGCJ8, IGCJ12, mailing lists
  - still working on

- Comment submission for IANA transition
  - Responding the call for comment from ICG in September 2015
  - Launched in Aug. 2015
  - Discussion meeting held
  - Comments with 92 supporters formally submitted

IGCJ so far

- The first ever open activity in Japan on IG which has momentum with frequent meetings (6 a year)

- We do have participants from business, government, academic and users sectors, but need to engage more

- Comment submission for IANA transition was a remarkable milestone

- Still in a development phase of community building, but envisaging the maturity for multistakeholder consensus building

Thank you!
ありがとうございました！
